Speaker 1:

So I had been thinking about getting a cosmetic surgery for about four or five years. And I saw a couple of different doctors in the area for a consult. And this was actually my second one, and I felt really comfortable with the staff and Dr. [Burgdorf 00:00:14] himself. He really listened to what I had to say, and what I wanted to have done, and made me feel comfortable about the whole process from beginning to end. And it's been about a year now, and I'm just so confident now with everything. And the office just took care of, from start to finish, 100% and I couldn't be happier.
