Speaker 1:

Sergeant Arens, we really appreciate you giving us a review today. Can you tell me what your experience with Doctor Burgdorf and his stuff was?

Sergeant Arens:

I mean, it was an amazing experience. I couldn't ask for a better one. The staff was completely sweet and nice and professional and Doctor Burgdorf was one of the most professional doctors that I've ever worked with and I couldn't ask for a better experience.

I'm completely happy with my results and the procedure. So I would definitely recommend Doctor Burgdorf to anyone who's looking to have any type of plastic surgery done.

Speaker 1:

So we get a fair amount of people from the military. Did that impact your decision to come here at all?

Sergeant Arens:

It did. I did my research. I did my homework. I looked at all doctors in the area and I did notice that you guys do have a lot of military customers. So I felt very confident in my decision to come make an appointment with Doctor Burgdorf.

Speaker 1:

Well, we were happy to have you and thank you for this video.

Sergeant Arens:

Thank you.

Speaker 1:

Thanks.
