Speaker 1:

So, how was your overall experience the first time you came to the office for your first consult?

Speaker 2:

It was great. Everybody at the front desk was so very nice. They offered me water or coffee. They made sure that I was comfortable and they answered any questions that I had. And then when I went back to, in the room for my first consultation he answered everything. His assistant was wonderful. He took his time. He explained everything to me, gave me options, which I really appreciated.

Speaker 1:

Awesome.
