Speaker 1:

Hi, Misty, how are you today?

Misty:

I'm doing good, thank you.

Speaker 1:

Great. I'm going to just ask you a few questions about why you chose Dr. Michael Burgdorf at Music City Plastic Surgery. Is that okay with you?

Misty:

That is great, thank you.

Speaker 1:

Great. Why did you choose Music City Plastic Surgery?

Misty:

Well, I did my research and I saw that he had really good ratings, and then I saw his before-and-after pictures, and I knew that's what I wanted. So when I came in for a consultation, I met him, and I knew that he is what I wanted.

Speaker 1:

Good. So you're only one week out, post-op. How are you feeling right now?

Misty:

I feel 100% better. I don't feel like I just had surgery a week ago. I'm fitting into clothes that I couldn't fit in before, I'm out doing things, and I just feel great.

Speaker 1:

Now, what would you tell other people about your experience with Dr. Burgdorf at Music City Plastic Surgery?

Misty:

It was wonderful. It was the best experience I've had. I feel so much better, and all the people were so friendly, and it was definitely worth it.

Speaker 1:

Aw, well thank you. We love hearing all those positive things, and we love having you as a patient.

Misty:

Well good, thank you.
