Speaker 1:

Good morning, Nicole.

Nicole:

Good morning.

Speaker 1:

You're four months out.

Nicole:

Yay.

Speaker 1:

And you're happy with the results so far.

Nicole:

Very happy.

Speaker 1:

Can you tell me a little bit about your experience with Dr. Burgdorf and his staff at Music City Plastic Surgery?

Nicole:

I have had the best experience. The thing that stands out the most to me is the time spent on the front end so that I felt incredibly comfortable going into the surgery and then all of the followup care. And everything's been so complete and concise, and all the information that I needed was there when I needed it. And it has been a great experience.

Speaker 1:

Good. Would you recommend Dr. Burgdorf and Music City Plastic Surgery to your friends?

Nicole:

I already have. Every time that I share my experience, I tell them they should give him a call.

Speaker 1:

Oh, that's awesome. Well, thank you for taking a few moments to talk with us, and we hope you have a good rest of the day.

Nicole:

Thank you.

Speaker 1:

You're welcome.
